the perfect gift year-round!

A classic expression of good cheer, gratitude, welcome or comfort, Heinen's hand-packed fruit baskets have been a local secret for years.

Each basket brims with fine fruits that we hand-select from our market-fresh produce departments, so from the start, it's a splendid gesture. Then we embellish, in great taste. Award-winning wine, cheese, and specialty foods from local and around-the-world artisans can make your choice of baskets even more special. We can also add that personal touch if there's an item from our stores you'd like us to add.

Our thoughtfully designed baskets make a most-appreciated gift for your family, friends, coworkers and colleagues. Contact the produce department to order your Heinen's Fruit Baskets for the holidays—or for any occasion throughout the year. ♦
