

Classic Oreo Dirt Pudding

This recipe was provided by local blogger Abby Thome of [The Thome Home](#).

Ingredients

- 2 packages vanilla instant pudding
- 6 cup cold milk, whole or 2%
- 1/2 cup powdered sugar
- 1 8 oz. block cream cheese, at room temperature
- 1 12 oz. container of Cool Whip
- 1 14 oz. package of Oreos
- Gummy worms, to decorate

Instructions

1. In a large bowl with a handheld mixer, combine the cold milk with the instant vanilla pudding packages for 3-5 minutes. Let this mixture sit for an additional 5 minutes to firm up.
2. Add 1/2 cup powdered sugar and the cream cheese, mixing together until everything is fully incorporated. If you see a few tiny specs of cream cheese, that is okay.
3. Lastly, stir in the cold Cool Whip until completely incorporated.
4. Set in the fridge until you are ready to assemble.
5. To assemble, gently crush all of the Oreos in a Ziploc bag. Don't be afraid to leave some larger chunks.
6. In a small mason jar, layer the Oreo crumble followed by the pudding. Repeat the layering process until the jar is full. Finish by topping with Oreo crumble and gummy worms.

Note: This dessert can also be made in a 9x13 baking dish or a classic parfait bowl.
