

## Watermelon Frozé Splash Cocktail

*The following recipe was created in collaboration with Lauren Schulte. To see more of her bites and meals, visit her Instagram [@TheBiteSizePantry](#).*

### Ingredients

- 2-3 cups of frozen watermelon (One small watermelon equals about 3 cups.)
- 12 oz. of your favorite rosé (about half of the bottle)
- 2 cups crushed ice
- 1 Tbsp. honey
- 1 can of Strawberry Bubly Sparkling Water, or your favorite seltzer water
- 3-4 fresh mint leaves, plus more for garnish

### Instructions

1. Slice a small watermelon in half and scoop out the insides leaving each of the watermelon rinds intact. Place the watermelon insides in plastic Ziploc baggies and freeze for up to 2 hours.
2. Once the watermelon is frozen, remove from the baggies and combine all ingredients in a high-powered blender and blend until smooth.
3. Pour the mixture into the watermelon rinds, garnish with fresh mint and serve with a fun party straw.
